### Europa Universalis IV: Songs of Yuletide DLC

God Jul and other Holiday Greetings from wintry Sweden! Paradox Development Studio wishes all of our fans a happy holiday with this gift of a Yuletide Carol for Crusader Kings II and Europa Universalis IV.

This carol, composed by the talented Andreas Waldetoft, brings two famous songs, Deck the Halls and Joy to the World, together with influences from the music of both Crusader Kings II and Europa Universalis IV.

### Lyrics:

Storm the winter shores of England  
Fa la la la la, la la la lan.

Loot and pillage with your warband  
Fa la la la la, la la la lan.

Celebrate the glorious battle  
Fa la la la la, la la la lan.  
Troll the ancient Yule tide carol,  
Fa la la la la, la la la lan.

In the blaze of London burning,

---

Fa la la la la, la la la lan.  
Slay your foes and sing 'til mornin,  
Fa la la la la, la la la lan.

Follow me in this adventure,  
Fa la la la la, la la la lan.  
While I tell of gold and treasure,  
Fa la la la la, la la la lan,

Far away on eastern beaches,  
Fa la la la la, la la la lan.  
We will find a home and riches,  
Fa la la la la, la la la lan.

Off we norsemen sail together,  
Fa la la la la, la la la lan.  
Heedless of the wind and weather,  
Fa la la la la, la la la lera.

Conquer the World, and rule its lands!  
Let earth receive her King;  
Let every soul, be guided by your hand.  
Grand strategy is your game  
Grand strategy is your game  
Grand strategy, grand strategy is your game

Conquer the World, your rightful realm!  
Lead men to victory!  
Through fields and floods, rocks, hills and plains  
Let slip the dogs of war  
Let slip the dogs of war  
Let slip, let slip, the dogs of war

You rule the world with might and grace,  
And make your nation grow,  
People and cultures, united by your hand,  
A historical paradox  
A historical paradox  
A historical, ahistorical paradox.
